SPECIFICATIONS

Overview

SEA ROSE is an exceptional treasure. She's not only a magnificent shoal-draft, center-cockpit offshore sailing vessel, she's one that has been kept in top condition since the day she was first launched. To date, she's had just two ownerships, and in recent years she's had what amounts to a major refit. You name it - engine, rod rigging, teak decks and more have been replaced with new. Her spars, deck and topsides were all Awlgrippped in 2019. Even her on-deck brightwork was stripped and revarnished in 2019.

SEA ROSE is one of those very few gems that everyone hopes to find when looking for that special boat.
