## Overview

---

As you walk up to DOLLY a 2021 Azimut 45 Atlantis you will notice that she is in impeccable condition. She has just over 100 hours on her main engines and is as clean as they come. She is “like new” with only having done 3 owner trips. When you walk aboard DOLLY you first notice the well thought out spacious design. There is a garage that currently has 2 F5 Seabob’s but could accommodate a 10’5” tender. The hydraulic swim platform is ideal for adding 2 sea chucks and a jet ski. Ready to accommodate 6-8 guest comfortably. DOLLY had a custom sun shade with carbon fiber poles right off the stern that connects to the rear of the cockpit to provide ample shade for lounging guests. Dolly’s deck is made of a beautiful synthetic nonskid teak that is visually pleasing to the eye. As you make your way to the helm you will notice the factory hardtop with retractable sunroof, easy to open and close with just the touch of a button. The 4 Fusion speakers & subwoofer can really put some sound out. The Volvo glass cockpit platinum package really shows off a clean look for the display screens. With her Volvo IPS 600 440hp marine diesels and Gyro Stabilizer Seakeeper she really handles and drives like a dream. The joystick and bow thruster makes for easy maneuverability when docking or when in tight quarters. Should you find yourself in need of a digital anchor that allows you to lock yourself in position using GPS satellite antenna, not to worry DOLLY is equipped with skyhook. As you make your way from helm into the salon-dinette you are greeted with 4 steps down a wooden staircase. There is ash wooden flooring and cabinetry with walnut trim throughout the vessel’s interior. DOLLY has vinyl headlining with cloth wall coverings, accented recessed led lighting highlights the room nicely. The U shaped leather sofa is paired with a wooden dinette table and an aluminum pedestal that drops down to convert to a sleeper. There are black aluminum blinds for the windows with opening port hole vents. The skylight overhead sets for nice ambient lighting throughout the room. The salon has a Samsung flat screen tv with a Bose sound bar and a satellite tv receiver. There are 110 outlets in all the rooms. Just to the stern right before the guest cabin there is an entry to the day head. The day head has a modern wet/head setup that makes for very easy clean up. The guest cabin has a total of 3 twin berths with the possibility of converting 2 berths into a queen. With just a simple 20 second step process it is easy to slide the bed over. The master cabin is all the way forward, it has a full size berth with its own Tecma electric toilet and a glass shower door with seat storage.
