## Overview

---

For the first time on the yachts for sale market this fast planning superyacht with stunning lines and ample amenities, Lucia M, is the unique Jongert Motor Yacht you can dream of.

The 39m super yacht Lucia M has been developed by the shipyard at the specific request of several customers who appreciate the luxury yacht design and the quality of the Jongert sailing yachts but prefer a motor yacht.

The 2010 motor yacht is equipped with several special facilities offering the yacht owner a maximum comfort and privacy.

The double master cabin is positioned in such a way that the 7.8m beam of the superyacht is fully used. A huge skylight, which can be electrically darkened, has been fitted over the bath in the master cabin. From the stateroom the owner has direct access to a gym and steam bath in the forepeak.

The semi covered flybridge offers a bar, lounge and a sun deck. The dodger roof above the flybridge is equipped with glass to keep the space as bright as possible, but also with blinds to protect against the sun.

---
