Overview

***For Delivery in March 2023 ***

The Swift Trawler 48 is now positioned as the largest Swift Trawler in the Range only surpassed by the Grand Trawler as the flagship of the Beneteau trawler range.

The main deck features a large galley with full height fridge freezer, Corian worktop & plentiful stowage on portside aft, with a very spacious sideboard on starboard that can be configured with Villeroy & Boch crockery & glassware. Forward of the galley is a raised large dinette that easily converts to a double berth. The helm station is on starboard adjacent to sliding side door and bulwark side door for easy docking and circulation.

The new Swift Trawler 48 has the size, space and capability to continue the journey of seasoned cruisers and aspiring cruisers alike.

This Trawler has a range of over 600NM at 10-12knots and over 300NM at 20 knots.
