SPECIFICATIONS

Overview

Nautilus has been well cared for by her previous owner, the exterior and interior of the boat reflect on that quite well. The twin Mercruiser V8 7.4Ls have been rebuilt, since the rebuild port side has 726 hours and starboard has only 3. Detailed maintenance log with receipts and pictures accompanies the rebuild. She offers molded steps on the swim platform and to the flybridge, a spacious aftdeck with a hard top, two staterooms and two heads, and a Kohler generator with only 213 hours. The immense flow of this vessel and spacious head room make it a favorite in its class.
