This Sea Ray 350 Sundancer is in Excellent Condition, Loaded with Options and Ready for Cruising

With the seamless hardtop, large hull windows and sweeping sheer, the Sea Ray 350 Sundancer is one of the most popular models ever built.

This Sea Ray 350 strikes the right balance of innovative design and next generation styling. This is a low hour boat with only 310 hours on the closed loop cooled Mercruiser 8.2 Big Block engines and 91 hours on the generator, make it truly "Turn Key." Many upgrades and preventative maintenance have been done to keep her standing tall.

Having been kept in dry storage most of her life has kept the gelcoat in near new condition.

The comfortable cockpit can seat a small crowd and includes a deluxe wet bar with a refrigerator, cockpit table, power engine hatch and a cleaver aft facing swivel helm seat.
