Overview

85 HOURS ON 2021 CUMMINS QSBs / EXTENDED WARRANTY / MAJOR REFIT

If you are looking for a turn key custom rig in the 38-40 foot class, look no further. Woodcutter is certainly one of the prettiest mid sized convertibles around. Her current owners have maintained her well and she is fresh off a couple recent projects that include a total Engine Room and running gear Refit, New Paint and Varnish and the list goes on and on. Clean as a whistle with a 28 knot cruise, Extended Warranty and a great ride, this boat will provide a lot of good times without the headaches of dealing with old tired equipment.

If classy and rigged up is how you like 'em, then come check out this 38' Buddy Davis. With all the looks and performance she offers and the confidence that goes hand in hand with new, dependable components from the running gear and thru-hulls right on up, she's in a class by herself.
