SPECIFICATIONS

Overview

Long Range Motorsailor

Ultimate Comfort, Solid Sailing Performance

The Gulfstar Sailmasters are well known for their unbelievably roomy interiors. They boast 6'5" or more headroom throughout most of the boat and have as much beam as many motor yachts. Their rich teak interiors are warm and inviting and very well executed.

The galley is centrally located with plenty of storage. The aft stateroom is enormous with a centerline queen berth. Both heads feature separate stall showers. The design incorporates several wrap-around windows in the raised cabin top, which create bright and airy accommodations below.

With 195 gallons of fuel and 300 gallons of water, you'll have an impressive cruising range. A Sailmaster is as good as it gets for living aboard and long-term tropical cruising.

See the broker's comments section for more details on the condition of this capable cruiser.

Highlights Include:

Perkins 135HP Diesel. (1000 hrs)

Bow Thruster

5.5KW NextGen Genset (500 hours)
