Overview

2005 Fountain 35 Lightning

Make no mistake. Reggie Fountain, CEO, founder and force behind Fountain Powerboats in Washington, N.C., is a promoter. If he gets your ear, he'll sing the praises of Fountain boats until you're a believer. Can you blame him? Fountain has the product to back his bluster. The 35'-long, 8'6"-wide Lightning we tested off Captiva Island, Fla., provided proof of that. The base price of the 35' Lightning with a pair of MerCruiser 502 Magnum MPI engines is \$200,333 USD a relative bargain in the offshore- performance-boat world. Our test model boasted a couple of options, most notably an upgrade to twin Mercury Racing HP500EFI engines that raised the price to \$254,467.
