## Overview

---

Cobalt has been a leader in boat design and technology, the first to build walk-thru transoms on smaller boats.

This Cobalt R5 is a one owner boat with very low (60) hours. Powered by Volvo Penta 380 V8 Duo Prop, she cuts through the water with ease all while posting surprising fuel consumption numbers for a vessel of this size. This boat is equipped with factory installed Garmin GPS, VHF Radio, Volvo Penta 380 HP Fresh Water-Cooled V-8 engine with Stainless Steel Duo Props, Aluminum Sport Spoiler, Hi Power Sound System, Electric Toilet with Pump Out, Hot/Cold Shower, Shore Power Cord with Battery Charger, Cockpit and Bow Covers, Trim Tabs, Electric Anchor (Lewmar Windlass) and Docking Lights.

The current owner has just replaced the Exhaust Manifolds and the Risers and done a complete Engine and Stern Drive Service including a complete detail job with compound and wax with InterMarine. And a fresh coat of Bottom Paint was also applied. Recent services include a new fuel pump. The current owner is selling the boat for health reasons. The boat is priced below the market value for a quick sale.

Recent service records are available.
