SPECIFICATIONS

Overview

Galeon 550 FLY is a 2014 boat with a unique configuration: 3 cabins + garage for the tender. 550 FLY is bound to turn heads in amazement with its dynamic features and a clever and luxurious interior setup. The coherent layout has allowed for an unprecedented amount of space on all three decks, while maintaining a classy and appealing presence. Outside, the spacious flybridge will surely be the center of attention with its massive sundeck, a functional bar area and a dining table with seating for eight guests. The aft cockpit and saloon are divided by a retractable glass door and share a wet bar area. The hull's low center of gravity combined with premium engine options guarantee commendable performance in any conditions while the optional extended hydraulic platform will handle all water paraphernalia. The main deck is complete with a galley, a helmsman station for two, twin sofas and a dinette that seats an astounding eight people. Below deck, three full-sized cabins offer six berths and plenty of storage for luggage and necessities. The forward VIP cabin has an en suite bathroom while the owners cabin is fitted with a make-up station and a comfortable sofa. Both bathrooms hold separate shower cabins and a clever solution with twin sliding beds can be found in the guest cabin. All quarters offer privacy and sufficient headroom. Galeon 550 FLY is powered by 2 x D-13 800 VOLVO PENTA with 617 engine hours.

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
