## Overview

---

Cool Breeze is a highly updated Johnson that received an extensive refit in 2018. Since then, she has been maintained by a full time crew. This Johnson has an innovative layout that was far ahead of her time. As a result, her full beam master rivals much larger and newer yachts. In terms of her layout, another unique feature are four well appointed guest cabins, plus separate crew quarters. In comparison, most yachts of her size only offer three. In addition to her large volume interior, this boat offers spectacular exterior spaces. Her flybridge offers a mecca for entertaining, and her aft deck lends an alfresco dining option. The hull and superstructure were painted in 2017. Cool Breeze would make a great live-aboard or large family cruiser. With reliable Detroit power, and only a 4'6" draft, this Johnson is the perfect Florida/Bahamas yacht.

## Basic Information

---
