SPECIFICATIONS

Overview

This **one owner** boat offers the features of a performance Center Console, off shore fishing boat, and a cruiser with space for two for longer trip. Like all Donzi boats, the 38 ZSF rides on a high-performance stepped Hull known for its superior rough-water handling characteristics. While she's certainly capable of serious fishing activities, the Cockpit of the ZSF offers good fishing access with two fish boxes and a cleaning station, and a 65 gallon live well. If the sun becomes too much you have a large top to get under. A nice mid ship seating area, which is protected from sun and rain. If needed, you can go below to an air-conditioned cabin, powered with the Westerbeke low hour generator. Later if you want there is a full galley with an electric cook top, refrigeration with Ice maker, and microwave to prepare the days catch. For overnight trips, the V-berth and a large Head with sink and shower. Between the opposite seating below, is a removable table for evening meals. The walkways of the 38 ZSF are wide enough for easy bow access, with good grab areas to stabilize yourself in rougher weather. The visibility from the raised Helm position is excellent, giving you sight to all corners of the boat
