Overview

Get Ready For A Paradigm Shift!

(...an important change that happens when the usual way of thinking about or doing something is replaced by a new and different way)

For catamaran lovers and Jeanneau/Lagoon enthusiasts, ***this is the Paradigm Shift you may never have imagined...a classic Coastal Cruising Catamaran that's been reimaged, and refit with current style trends, accommodations, systems and performance features.*** She's perfect for day sails, weekends or even as a live aboard!

This #10 hull of only 11 models constructed was created by Gino Morrelli and Pete Melvin and built by Jeanneau/Lagoon. Although Jeanneau is a French company, the Lagoon 35CCC is purely American in concept - ***roomy for her length and beam, simple and practical*** in her accommodations, reasonably fast, ***narrow enough to fit into a slip reserved for a 45' powerboat***, and agile under sail or power.

Her current owner has gone above and beyond, fitting the vessel with innovative systems and amenities that far exceed OEMs to meet his high standards.

Be sure to review the YouTube video walkthroughs and the History & Refit Summary for a comprehensive list of upgrades.

Features include:

- **Proven, Ultra Sturdy Hull Build** - SCRIMP resin-infusion process, and incorporates biaxial glass and a balsa core
- **Bright, roomy salon/"galley up" layout** with same level access to helm and cockpit
- **2 SuperQueen Berths plus telescoping table mounts** to allow an additional salon "day bed".
- **Rariton Macerating Electric Head, Kohler Shower**
- **16000 BTU water-cooled MarineAir A/C** unit with galley mounted control panel and "Soft Start" unit.
- **Instant On Propane water heater** with 12v controlled breaker, plus Five Gallon Bosch 120v Instant Hot water heater (shore use)
- **Three burner Propane Stove/Oven** with rearward up venting and heat blanket surround,
- **Deep Cold Storage** converted to 120v/12v auto-switching Fridge unit (tested temp at lowest point 30 deg at max temp),
- **Seatalk-ng Raymarine Axiom 7** w/ US coast ecu, Tri-data system w/ depth speed and Wind.
- **Two 10Kw 48v "ElectricYaught" engines** replace the Yanmar 3gms.

Paradigm Shift is currently on the hard in Frederica, DE - awaiting its new owner and arrangements for final refit, mast setting and running rigging.

You won't find a more unique, updated, clean, or more capable catamaran coastal cruiser anywhere...so contact me today before she slips away!
