Overview

The Grady White 375 Freedom is a stout and capable boat. This particular version was equipped with every conceivable option from the manufacturer, including helm A/C, and upgraded motors featuring joystick docking. With room for the whole family, you'll never want to head back to the dock. No matter if you're offshore fishing, anchored at the sandbar, or canal cruising, this boat offers something for everyone. Picture spending this summer cooking hamburgers for your whole crew from your summer galley while anchored at that one particular harbor. The only triple 425 horse powered 375 Freedom on the brokerage market today, and priced for a quick sale.
