## Overview

---

DIAMOND LADY underwent a major refit in 2019/2020 with new Pipewelders hardtop, Eisenglass enclosure, new interior, new electronics, A/V equipment, non-skid decks, complete service of main engines & running gear, etc.

In May 2022, new Flow Marine chiller installed, new air handlers in salon, A/C water pumps, new cooling pump for ZF transmissions and all new fuel and oil filters for mains and gens. In Dec. 2021 she received new bottom job, reconditioned props& prop speed along with new batteries and battery charger.

This vessel represents a unique 75' in that the pilothouse bulkhead has been relocated aft creating an oversized pilothouse providing for an L-shaped settee and mahogany burle table. In addition, she features a four stateroom layout with the highly desirable cherry wood joinery. All cabinet doors are raised panels and features Valli & Valli hardware throughout. Her custom interior was redone in 2019 with all new furnishings, fabrics, wall coverings and soft goods throughout, in addition to receiving new bottom paint and boot stripe.

See the new photography & video done Feb 2023!
