SPECIFICATIONS

Overview

There are lots of options in today's half million dollar plus, production center console market... But if you're looking for a one of a kind, beautiful, well maintained, super rigged up and more affordable custom boat built here in North Carolina, then take a look at Dark Horse.

She's a 2016 Glenn Bradley with twin Yamaha 300 4 strokes, 400 hours, Seakeeper, FLIR, top shelf electronics, ceramic coated hull, Teak Coverboards, faux teak toe rail, triple axle trailer and many more features. The boat is built very well, with beautiful lines and is a definite head turner wherever she goes. She also provides a soft, dry ride with an economical cruise and tops out well over 40 mph.

The current owner is making some changes and pulling up roots around here. This will provide a really good opportunity for someone to step into a big, classy center console with low hours that is absolutely turn key. Come take a look!

Basic Information
