## Overview

---

Offering panoramic views from her main cabin and extraordinary storage, this unique fast trawler Island Pilot 395 boasts cruising speeds of **24 knots, burning 29 gph** with her **larger Volvo 350HP engines (700HP total)**. **Cruise comfortably at 8 knots and burn only 4 gph.**

"**Summer**" is a clean, bright, comfortable cruiser with safe side decks and an innovative cockpit design offering easy safe transit to dock, swimming, or dinghy access. Volvo outdrives offer **shallow draft (only 2'8")**, efficient long distance cruising, and speed when and if desired.

If you are unfamiliar with Island Pilot, this vessel is well worth checking out. For folks considering Sabre and other "blue boat" power express brands, the IP 395 offers similar (and in some ways better) accommodations for the cruising couple, with better fuel consumption, and a dramatically lower cost.

## Basic Information

---

**Category:** cruiser

**Model Year:** 2006
