Overview

A great opportunity to purchase the bestseller from Azimut Yachts shipyard - **Magellano 43** and to spend the 2022 season on the water. The yacht is in excellent condition, engine running time is 230 hours. The hull is located in Finland. Among other things, the vessel boasts a rich package, including a hydraulic gangway. In 2022, antifouling treatment and replacement of anodes were carried out. The paid European VAT is another strong argument that significantly increases the liquidity of position in the market.

The model is popular with customers due to its reliability, smooth running, moderate fuel consumption and high-quality interior decoration. On the flybridge there is a wet bar and a dining area, which easily turns into a comfortable sunbathing area. The salon with panoramic glazing is filled with natural light, and the kitchen set is advantageously located at the entrance between the dining area inside and the cockpit.

Magellano 43 is a time-tested liquidity position that guarantees the future Owner worry-free operation and minimal loss of value upon sale. In addition to the yacht, you can purchase a new tender 3 m. brig Falcon, 20 hp 4 stroke, 2021, 14.000 euros.
