SPECIFICATIONS

Overview

A unique opportunity to purchase the flagship of Grande series in 2022! Facing the reality of the yachting market today, this is a rare chance to become an owner of Grande Trideck this autumn. The 38-meters vessel will get an impressive list of custom options: one of the main is a complete painting of yacht (worth of 600k euros); 6 cabin layout with office cabinet on upper deck; professional karaoke system on sundeck; upgraded engines and improved fins stabilisers. First Trideck yacht which will have not only painted hull but a painted hardtop and superstructure included internal surface. Colours Midnight Grey and Napoli Silver make the vessel look elegant and brutal at the same time. Moreover the underwater part is also upgraded: maximum numbers of underwater lights which create unforgettable atmosphere at night. Together with the projector on sundeck the "wow-effect" is guaranteed. Not only exterior of yacht but also the interiors and layouts are customised in the project. In addition to the 6th owner's cabin with star sky effect, all sofas of salon and upper deck are redesigned for unique but practical configuration of Minotti. It is worth noting that the main salon is equipped with the largest possible TV of 85 inches, winecooler VZUG with touch opening; equipped galley with Gaggenau appliances. A perfect example of yacht for Mediterranean - comfort and autonomy at 40 meters with the highest technical performance and equipment. Upgraded engines (2 x MAN 2.600 hp) will allow the vessel to increase its maximum speed up to 24 knots, with a cruising speed of 20 knots. Fins stabilisers with a working area of up to 2 m² will allow guests to feel comfort even in not the most calm weather on the high seas .
