## Overview

---

Motor Yacht Pearl is built on three decks, but thanks to the carefully studied proportions and the great balance achieved between design and volume, it is not only exceptionally elegant, but also exactly as light and manageable as a two-deck yacht. Pearl has a 5 cabin layout with the master on the main deck. All cabins are in suite with very well appointed spaces for all 10 guests plus additional crew quarters for 5 crew members.

The owner of Pearl chose Hermes finishes inside, Roda outdoor furniture finishes outside, making the yacht look stunning inside and out.
