SPECIFICATIONS

Overview

Award-winning SO'MAR is a 37.9m Tansu Yachts delivered in 2014. Following the Tansu design principals which optimise deck space and a real sense of living on and enjoying the sea and scenery, SO'MAR's Master suite is located aft on the upper deck, with large windows and doors opening out onto an expanse of deck so that the owner can enjoy the view without compromising on privacy. The bridge is then located on the main deck forward and on the lower deck a full beam VIP and 2 twin cabins, there is also a daybed/sofa in the VIP cabin making accommodation for a total of 9 guests in 4 cabins. The contemporary loft style layout, laid back chic interior styling and vast deck space with a military/explorer exterior look are the hallmarks of Tansu's prized design and ensured that SO'MAR was the winner of a World Superyacht Award in 2015. Built to comply with RINA standards in wood with a cold moulded fibre epoxy coating, SO'MAR is both comfortable at sea and strong, powered by 2 Caterpillar C18 715 bhp engines with the cruising speed of 13 knots and max speed of 15.2 knots, SO'MAR has a range of up to 3500nm at 9 knots.

KEY FEATURES:

- Winner of the World Superyacht Award in 2015
- Contemporary loft style layout
- Upper deck Master suite
- Spacious decks
- CUDA Class
