## Overview

---

### 2006 Fountain 38 Tournament Edition

The 38 CC's layout was designed by knowledgeable, experienced fishermen and includes: forward cabin with double-berth and rod stowage; stand up head with shower, sink, and VacuFlush head in the console; large, 50-gallon circulating livewell to keep bait fresh; fast-ratio, full-time power steering; four large insulated fish coolers with a 706-qt. total capacity and state-of-the-art Super Ventilated Positive Lift hull, notched transom and pad keel designs that provide unmatched performance, ride comfort, and fuel efficiency. It's the same construction and winning technology that's built into our race and performance boats. The 38TE is capable of top speeds up to 70+ mph with triple 300 Verado outboards. In addition the 38, at 45 mph with an astounding 1.5 mpg will giving you a range of 520 miles with our standard 346-gallon fuel capacity. Easily extend your range to 675 miles with our additional fuel option.

Specifics: See original Sales spec sheet enclosed in pictures.
