## Overview

---

The Seaward/Hake 25 is a very well built, shallow draft, pocket cruiser. These boats were built with features usually only found on much larger vessels. The solid hull, sturdy rig, bulwarks, and stainless steel ports have made this model very popular. Oglethorpe was purchased about 1 year ago and has been refit with new motor, electronics, batteries and wiring. She has just received new bottom paint and detailing. The slip is transferable pending Dockmaster's approval. Oglethorpe is in good structural shape, the sails and cushions have been garage kept and the interior is clean and dry and offers quality cruising amenities. Please see full specs for details.
