SPECIFICATIONS

Overview

M/Y Goneedays III is a stunning Ferretti 881 RPH built by the renowned Italian shipyard in 2009.

Presented in immaculate condition, Goneedays III has been extremely well maintained, with the same captain and crew on board since new, she was used sparingly by the owner and has never been available for charter.

Loaded with options and upgrades, Goneedays III is equipped with 2 zero speed gyro stabilizers, bow and stern thrusters, a 4.2m outboard tender and a gym installed in the aft beach club/garage.

She offers great interior volumes, with high ceilings and a 6.75m beam, a large fully equipped galley and 4 luxury cabins, including a very large master with wardrobes and an ensuite bathroom featuring a bathtub. A VIP cabin in the bow, a double cabin and a twin with a pullman bed allow for comfortable stays aboard for up to 9 guests with 3 to 4 crew.

Her spacious deck areas include a dining table and couches on the aft deck, large sunbeds on the bow and a very well arranged sundeck under a hard top, with flybridge, dining table, fully equipped bar and BBQ, a jacuzzi, spacious sunbeds and a powerful crane to launch the tender.

With only 1300 engine hours and having been constantly upgraded and perfectly maintained, this yacht is definitely the safest and best priced opportunity in her range.

Very stable and seaworthy, M/Y Goneedays III can reach 29 knots at top speed and cruises between 22 and 25 knots.
