SPECIFICATIONS

Overview

Full option list upon request | 2021 built | Inboard engines | 4kw generator | Air-conditioning | Skyhook positioning | Volvo joystick | Both thrusters | Audio system upgrade | Raymarine night vision camera | Transformer hydraulic platform

SACS Rebel 47 is in pristine condition with only 50 engine hours and is equipped with maximum options to create the ultimate cruising experience. The vessel is located in Spain and is ready for inspection.

It is the epitome of performance, style, innovation and safety. This is a boat for those who are not indifferent to the sea and are ready to challenge it. When developing the Rebel 47 design, engineers managed to develop and enhance the best qualities of RIBs. The D-shaped section of the cylinder allows you to increase the deck area and leaves wide and convenient side passages along the sides. The increased space and functionality of the spaces on board – rationally planned, elegant and comfortable – make cruising even more enjoyable, without compromising seaworthiness or safety board. The main deck can be completely bypassed around the perimeter. A sunbed at the stern adjoins the dining area with a sofa and a table with adjustable legs. The bar counter is equipped with a barbecue, a refrigerator, an ice maker and plenty of storage compartments. Behind the bar is the helm station with three gorgeous sports seats and a carbon fibre dashboard that any sports car would envy.
