SPECIFICATIONS

Overview

Karen Marie is an excellent example of the Union 36, a popular and well-known version of the Robert Perry design. She is a stout bluewater cruiser built to cross oceans in comfort and style. She was built in Taipei Taiwan at the Union Ship Co. and commissioned at Port Clinton Ohio. Her Full Keel provides excellent tracking While the cut-away fore foot provide response and maneuverability.

Karen Marie Has been lovingly cared for and upgraded by her current and 2nd owner for over 30 years. From Keel to Masthead she is in excellent condition. The decks were replaced, with no screws, Her bright work is to be seen to be really appreciated, the rig is sound and was recently replaced, the original sails are still crisp. Below decks She is immaculate headliner to cabin sole with many upgrades and improvements. The current owner's craftsmanship is exhibited throughout the vessel. The engine compartment is equally as clean and tidy. Please see the photos and full descriptions for all the details and recent improvements.
