SPECIFICATIONS

Overview

Seller wants her gone!

New Generators installed (2020)

New Batteries installed

Motoryacht of the Year 2007, the Velvet 90' increases livability by adding fresh spaces, interior and out. A wider cockpit and bar. The maximum beam flows through the double side windowing, ample windshield, and through the crystal aft door.

Natural light abounds, as seen by the twenty-two lower deck hull port-lights.

Professional interior design coupled with exterior styling has created an aggressive look yet offers an informal, family-oriented, and relaxed feel. The exterior areas were designed to create maximum comfort while not visually affecting the sporty look.

With her increased performance, the Velvet 90' assures a cruising velocity of 25 knots with first-class engines. In the typical Tecnomar type, she's entirely dedicated to a warm welcome.

Powered by twin MTU 16V 2000 M91 main engines, linked to Arneson surface drive propellers, she can cruise at 25 knots and reach a maximum speed of 35 knots.

She can also accommodate 6 guests in 3 cabins (Master, VIP + Twin) plus 2 Crew cabins for up to 4 Crew.
