## Overview

---

A truly special boat, beloved by her owners, Canuck has been thoughtfully upgraded and maintained with an open checkbook and with reliability, ease of handling, and preventative maintenance as the priorities. Having just completed, in May 2022, a complete mechanical and haul out service to the tune of \$25,000 (receipts available), Canuck is ready for her next owners to enjoy immediately. As the 20th of 20 hulls completed of this model by Pacific Seacraft, she was the culmination of years of improvement and development. The only model equipped with the larger Yanmar engines, she offers her owners excellent efficiency when cruising at 10 knots, with the ability to increase speed when required. A sea-kindly hull with a centerline keel, hard chines aft, low center of gravity, and wide walkarounds make for a comfortable boat underway or at anchor. A proven cruiser, she has been up and down the coast between Washington and San Francisco twice, as well as cruising through the San Juan and Canadian Gulf islands. An inspection of Canuck will not disappoint, she is in excellent condition, fresh water moored, freshly serviced, and ready to cruise.

## Basic Information

---

**Category:** Motor Yacht

**Model Year:** 2007

**Year Built:** 2007

**Country:** United States

## Dimensions

---

**LOA:** 38' (11.58mm)
