## Overview

---

Please note this is a US spec'd Fairline, from the factory. Extremely clean and well maintained vessel along with recent engine service and bottom paint. This vessel has the very popular 3 stateroom / 2 head layout that offers generous living areas and tremendous privacy. Recent canvas carpet runners, new interior soft goods, and a separate laundry/utility room that can also be used as a crew cabin are just some of the highlights. With twin 3196 Cat Diesel engines, Vestavia reaches a top speed of 32 knots with poise and grace. Its cruising speed is an impressive 25 knots. Fine, hand-polished woods and exquisite inlays, elegant soft furnishings and fabrics, and sophisticated living areas, all combine to create a unique environment in which to relax and entertain with ultimate style. The vessel design and accommodations are best-in-class. No other vessel can provide the luxury and performance of Vestavia in this price range.
