SPECIFICATIONS

Overview

Anglers can target any quarry in style with rod storage in the bow, in and under the gunwales as well as across the transom and on the hardtop. The molded in-console head couldn't be easier to clean, and it provides plenty of headroom for taller people to change or shower. Speaking of easy to clean, you will not find any unfinished surfaces aboard the 295cc. Few boats this size and style can make that claim.

Another feature you'll be hard-pressed to find elsewhere is the standard hullside door that opens inboard with a removable ladder. Not only does it keep swimmers safely away from the stern, it makes for easy boarding at the dock.

- Sleek, spacious design that accommodates anglers and cruisers alike.
- As with all our 5 Series models, the 295cc boasts a beautiful workstation with freshwater sink, removable bait cutting board, abundant tackle storage, and a 75-quart sliding Yeti cooler.
- Hydraulic sliding windshield and standard JL Audio system.
