SPECIFICATIONS

Overview

The refreshing top deck design, called the Skydeck, combines the benefits of both the flybridge and hardtop versions. It offers three forward facing seats and two sun pads on top, while maintaining a distinguishable, sleek look of the yacht. A wide sunroof opens over the helmsman station while an automatic, drop down ladder allows easy access to the upper helm, without compromising any of the cockpit space.

The modular aft design effortlessly transforms from a sun pad into separate loungers or a dinette with a pop up table. This convenient solution helps utilize the available space in a most effective manner, creating five completely different layouts in a matter of seconds. The extended hydraulic swim platform will be appreciated by all water paraphernalia enthusiasts.

The main deck offers a well planned and meticulously finished interior with a sizeable dinette, galley and an elevated helmsman station. Down below, three cabins and two bathrooms ensure privacy and comfort for all passengers. Quality fabrics and luxury fittings create a stunning and relaxing interior.

The 430 Skydeck is powered by high powered inboard Volvo engines which, when coupled with the available bow thruster, realize the yacht's potential and provide accurate handling and comfort. Feel the energy of the 430 Skydeck's athletic grace with powerful twin Volvo Penta D6-435 engines that are the perfect match for the finely tuned hull.

Basic Information

Category: Motor Yacht

Model Year: 2017

Year Built: 2016

Country: United States
