SPECIFICATIONS

Overview

This sport oriented, open-deck model, focuses on providing high maneuverability and a thrilling ride while still maintaining an exceptional level of comfort. The layout of the 485 HTS was conceived to offer a convenient and spacious living arrangement. The main deck features a U-shaped sofa, wet bar and a helm station with double seats. The cockpit area is occupied by a U-shaped sofa and can be divided by the retractable glass doors to help keep the elements at bay. Wide side decks on both sides lead to the bow where an additional leisure area awaits.

Down below an abundance of natural light penetrates the interior, with a large, glass ceiling over the helm station and ample bow skylights. Comfort and convenience have not been neglected: the master cabin, located midship, boasts an en suite bathroom for added privacy. The guest cabin holds the bow and has direct access to the common areas: galley, lounge and an additional bathroom. Take advantage of the large hydraulic platform to handle personal water paraphernalia including dinghies and jet-skis.

Passengers will surely enjoy the bow leisure area with a protective Bimini as well as the large cockpit sofa shaded by the retractable Sureshade system. Whatever the weather brings, the Galeon 485 HTS is prepared. A wide open glass sunroof and retractable aft exterior glass wall allow fresh breezes and sunshine in the sunroom and can be instantly closed for comfort when the weather is less than ideal. The 485 HTS is powered with Volvo IPS propulsion system providing superior maneuverability and control.
