SPECIFICATIONS

Overview

"Holoakai" is a well-kept, gorgeous Carinthia Blue hull 53' Selene built as a home on the water for long range cruising. Selenes are known for their exquisite lines, design, interior finish and stability providing for safe and comfortable blue-water cruising. Her Portuguese Bridge, mid-level side walkways, oversized SS handrails and stanchions enhance safety on overseas passages while the Naiad stabilizers ensure comfort and Side Power bow and stern thrusters with additional wing station controls provide excellent close quarter maneuverability. Holoakai has been continuously improved and maintained by her third owners for the past 5 years. She is in great condition but should be used to her capacity and her greater purpose in life; cruising any or all parts of the world. She has a three stateroom, two head layout with a midship Ensuite Master, forward VIP Stateroom, and portside Guest Stateroom/Office. The preferred separate companionways in the Main Salon and Wheelhouse provide additional privacy with the Main Salon companionway leading to the Master Suite or Engine Room and the Wheel House companionway to the VIP Stateroom, Guest Stateroom/Office and Guest Head. The interior finish is satin varnished teak wood with berbere carpet covered teak and holly soles throughout the vessel. The warmth of the wood is a perfect home setting. The exterior offers three different living spaces: a covered aft deck with settee and table, the large fore deck with settee and the covered flybridge with L-shaped settee, table and two large swivel Stidd chairs. Every outdoor space is suited for reading, relaxing or entertaining depending on whether you want sun and or wind. You'll find a Spectra water maker, Splendide vented washer/dryer combo and a Grunert deep freezer in the lazarette along with many upgrades on this fine vessel.
