SPECIFICATIONS

Overview

Versatile, powerful and stylish, the **Pershing 108** was created to combine **speed, comfort** and **fuel efficiency**. The three surface drives make this yacht, **built in 2017**, a champion in terms of range and noise levels. But she is also a masterpiece of speed at over **42 knots**, always able to deliver the emotions of the **classic Pershing thrill**.

She accommodates **up to six guests** in **three cabins**, consisting of a master suite, a VIP suite and a twin cabin, all with entertainment centres, televisions and en-suite bathrooms. Instead of the guest cabin on the port side, there is a **gym** (retrofitable, all original furniture has been stored by the owner). In addition, there is accommodation for **five crew members**. The **full-width open saloon** has L-shaped leather sofas to port and an **entertainment centre** with a large Samsung TV and stereo surround sound system. Forward, there is a **bar** and **dining area** for **up to eight guests** just aft of the helm.

On the **flybridge** there are four **lounge chairs, sun pads** and a **wet bar**. The foredeck offers even more outdoor relaxation, with built-in seating, a table and sun pads, protected by a bimini top.

The **Pershing 108** is the first three-engined model in the fleet, combining outstanding performance with environmental friendliness. With the mid-engine alone, she can cover **up to 1070 nautical miles** at a speed of 10 knots. At maximum power, the three engines can exceed **42 knots** while remaining below the 75 dBA limit.

With an average of **370 hours of operation** for the three engines, the **Pershing 108** has not been run much.

Do you have **any questions** about the **price** or **viewing appointments**?
