## Overview

---

Viking's legendary reputation for building peerless sportfishing yachts continues to wave its reign with the design of the 72 Viking Yacht Enclosed Bridge. The 72' EB offers ground breaking blue-water performance, style, and engineering.

The standard Enclosed Bridge salon mirrors the Open Bridge plan with the addition of a circular staircase to the enclosed bridge helm, which serves as a second salon with an L-shape sofa, a cocktail table, refrigeration, and an entertainment center. An open galley, an L-shape sofa, and crossover berths in the forward stateroom layout also are available. The day head is standard on both versions.

With a 209 square foot cockpit and a second salon on the enclosed bridge, the Viking 72 Enclosed Bridge delivers the best of both worlds. Viking continues to raise the bar by incorporating the best in design and performance.

Call today to speak to one of our Viking specialists about this Viking 72 model or any other Viking Yacht of interest.

Sistership provided photos, video, and tour
