## Overview

---

The Launch 38, the second-largest boat in the 142-year-old builder's lineup, is built to do what Chris-Craft boats have always been built to do: safely and comfortably host a group of people — it's rated for a 15-passenger capacity, and all of them will have a place for their rear end — for an enjoyable day on the water. Its outdoor galley unit makes it possible to keep everyone fed and hydrated, and an extendable SureShade aft and a Bimini on the bow ensure folks who want sun can get it and those who don't can take cover. But it can do more than be a dayboat.
