## Overview

---

Ubiquitous is a prime example of a seasoned one-owner yacht that has been impeccably maintained throughout her ownership. She has only been used privately and always kept by a full-time, professional crew. Delivered to her owner in 2012 (experienced Westport owner), the Westport 112 series is a proven model that has commanded consistent demand over the years amongst buyers. She has recently returned to US waters having cruised around Australia, a demonstration itself of her versatility.

She can accommodate up to 8 guests in four, well-appointed cabins, all en-suite. There is a full beam owners' suite with a king size bed, walk-in-wardrobe & his and her en-suite bathrooms. Below deck, a VIP suite is located forward with a private entrance and 2 additional guest cabins (one double, one twin).

In the engine room we have twin MTU 16V2000 engines, capable of 25 knots with an estimated cruising speed of 18 knots. At slower speeds her range is impressive for a yacht her size, around the 3000 nm mark. Both engines have just under 4200 hours (July 2022) & the 4000 service was completed. Two Northern Lights 65kW Gens (Port 9600, Stbd 9740) are in great shape & fully serviced. She also has the benefit of operating with 50 or 60 Hz- a rare feature.
