SPECIFICATIONS

Overview

***Let It Ride* has 209 hours on her and only 80 hours on the 8.2 Mercruiser long block that was replaced in 2016. The Bravo 3 outdrive was replaced in 2021. The engine is closed water cooled, and the boat has been dry stack kept and used in brackish water only. It's going to be hard to find a cleaner, better maintained Monterey on the market.**

The Monterey 270 Cruiser's beauty isn't only skin deep. Below it's sophisticated European styling lies the power and agility of a performance cruiser.

The huge cockpit leaves nothing to desire and at the transom, there is a fold-away bench seat plus a transom door for easy access to an integrated swimming platform.

The port side wetbar is truly a winning touch and there's even a removable cooler nearby. It's everything you deserve and more.

Stand up! There is full-size headroom aboard the 270.

Loaded with appointments, it is one of the most livable 27-footers on the water today. Slip into the plush comfort of the U-shaped dinette which converts to a comfortable double berth with plenty of storage below. The aft cabin comes complete with double berth. The private, enclosed head features full standing headroom along with shower, marine toilet, vanity storage, and a sink with faucet and showerhead.

The 270's comfortable accommodations will remind you and your guests of home.
