SPECIFICATIONS

Overview

Built in steel and aluminium by Benetti Shipyard, AMOHA was delivered in 1991 as Argentum AG to a design of George Nicholson, as one of the two Allseas 40 models.

Refitted in 2013, 2022 and 2023 AMOHA boasts a new interior design by Rémy Tessier, who created a beautifully crafted and truly timeless design, which puts a particular emphasis on relaxation and entertainment. The essential theme is comfort and luxury, expressed through a generous use of space, perfectly matching the elegant and luxurious art deco furniture. The formal seating in the main deck saloon offers sumptuous and well-appointed furnishings which complement the style of this unique yacht. This elegance is continued to the upper saloon which boasts a relaxed seating area together with a large bar and games table. AMOHA is designed to accommodate up to 10 guests in five staterooms. The widebody master suite on the main deck, features a private office, walking closet and for him/her ensuite facilities. The rest of the accommodations include a VIP and three twin staterooms, all with private bathrooms and wardrobes.

The outside areas are of note with ample space for dining on the upper and sundeck. The very large sundeck is a fantastic entertaining space, enhanced by an ample, shaded dining table, a bar corner and sunbathing areas.

Powered by twin diesel MTU (12V396) 12-cylinder 1,960hp engines, she comfortably cruises at 15 knots, reaching a maximum speed of 17 knots. AMOHA is also equipped with a Naiad underway stabilization system.

Basic Information

Category: Displacement

Sub Category: Displacement

Model Year: 1991

Year Built: 1991

Refit Type: Interiors

Country: France
