## Overview

---

METEOR is one of the finest examples of Turkish craftsmanship with steel hull and aluminium superstructure and oak and sycamore veneer interiors. Custom built for her experienced owner in 2018, she is well-kept privately and never chartered.

Meteor was delivered in 2018 after being built in steel and aluminum by Turkish yard Mural Yachts to an in-house design and RINA classed. The interior is made of oak and sycamore veneer with teak trim and sleeps 10 people in five cabins: a master suite, three doubles, and a twin. All guest cabins have entertainment centers, television screens, and en suite bathroom facilities, while her crew quarters may accommodate up to nine individuals on this yacht for sale.

Other key features on this tri-deck motor yacht include a large sun deck, an open aft deck, and a shaded cockpit beneath. The foredeck seating area is fitted with a C-shaped sofa and dinette and a central companionway provides access to the mooring area. In addition, a large swim platform means there are plenty of tender options on board
