## Overview

Here is an incredible opportunity to own a true gem of a two-owner 52 Viking express. This boat has been very lightly used for the entirety of its life and maintained at the highest level. Her engine room, bilges, fish boxes, and paint shine as if the boat just left the factory. Never fished a day in her life and currently sitting in freshwater, the knowledgable owner has an open checkbook policy and no expense is spared. It is essential to mention the performance of this boat which can reach speeds up to 39 knots with her 1360 V12 MAN motors with recent 2k hr service.
