Overview

CLEAN AND READY TO GO!

2015 FOUR WINNS 350 H

Only 305 Hours

Lift Kept

Joystick Docking

JL audio system

Generator

Full Electronics

“Our JEM” is an original owner 2015 Four Winns 350 Horizon with twin Fresh Water-Cooled Volvo Penta 380 HP Engines. This boat is also equipped with Volvo Penta’s anti-corrosion Ocean X Stern Drives.

The boat was originally purchased from InterMarine and annually serviced by InterMarine since the owners took delivery in 2015. The boat was completely detailed, and the hull & deck was compounded and waxed recently.

The boat is equipped with every option including an onboard generator, air-conditioning in the cuddy cabin, microwave, High Power Sound System, an Electric Barbeque Grill and Full Electronics Package with Radar. Twin Volvo Penta engines are controlled by a joystick for easy docking around marinas and close quarter maneuvering.

InterMarine has removed and replaced both engine manifolds and risers with new ones in November 2019. Other service and maintenance items have been addressed by the same dealer. This boat is in above average condition. The seller is moving onto other activities and motivated to sell. They have priced the boat below market value for a quick sale.

If you are in the market for a large bowrider (35’) with a nice comfortable cuddy cabin that has air-conditioning at anchor and low hours, don’t miss out on this opportunity!!!

Please call to set up an appointment to see this boat.
