## Overview

---

Banner of the Rodman Spirit range, the Rodman 42 in its Fly Bridge version is shown as a boat which highlights the rationality and functionality of its spaces compared to other similar ships in this segment of length.

We are looking at a unique boat that is innovative, functional and comfortable, as well as robust, powerful and with excellent seaworthiness. She has the same personality and style as the rest of the range, strongly characterized by a boat which invites you to live and enjoy life aboard in a truly unique and affordable way. The interior will surprise you for its spaciousness and brightness. Also, at both sides of the hull, wide fixed windows with integrated portholes have been fitted, also providing additional brightness inside and in the cabin area. Wide spaces which will make you enjoy the on board life.
