## Overview

---

LACROMA is a Steel and Aluminum De Vries Lentsch originally built in 1965. She underwent a total rebuild – back to bare metal in most parts – followed by fairing and a complete repaint. New teak decks and refurbishment or renewal of all of her systems from main engines to bilge pumps. The refit saw the creation of the sun deck as well as complete restoration of the interior and exterior guest areas.

The layout offers a saloon on main deck, with galley and wheelhouse forward. Below deck is the guest accommodation consisting of the full beam master Stateroom, a double VIP and a bunk bedded cabin. A crew cabin for two is located forward.

Having enjoyed the restoration project and cruising on her, the current owner would like to see her go to an equally enthusiastic owner so that he can move onto his next project.

## Basic Information

---

**Category:** Motor Yacht

**Sub Category:** Displacement

**Model Year:** 1965

**Year Built:** 1965

**Country:** Croatia

## Dimensions

---

**LOA:** 65' 11" (20.07mm)

**Beam:** 17.38
