## Overview

---

A highly updated & well cared for classic Hunt Harrier 25 with a 375-HP Volvo gas engine paired with a Volvo Aluminum Ocean X stern drive (2019). Lovingly maintained since new, other upgrades include exhaust risers and gaskets replaced (2022), all new cushions (2018), canvas (2018), and seat covers (2019).

A number of thoughtful choices such as the Ice Blue hull color and matching cream boot stripe and decks to match the canvas make STELLA BLUE a knockout visually. Some custom touches add to the feel as well: Sunbrella Bimini and Sunbrella exterior cushions with custom pillows with bronze snaphooks instead of bolstered backrests add to -and complete- the upscale look.

The “reinforced Bimini bow” by Hunt- another signature feature- is worthy of note.

This Harrier is priced below market value and presented in great working order having been in the Hunt all-inclusive service plan with inside heated storage at The Hinckley Company in Portsmouth, RI
