SPECIFICATIONS

Overview

A displacement of about only 29 tons and 300 square meters of sail area, set this almost 22 meter, 70 foot, long yacht in motion even in the lightest of winds. Her good ballast ratio keeps her very stable, so that a Y7 is extremely pleasant to sail. This luxury yacht was designed for family vacations as it can be operated with a very small crew or even alone. Easy handling combined with excellent performance and an interior completely tailored to the owner has made the Y7 a bestseller in the Y Yachts portfolio.
