SPECIFICATIONS

Overview

Finally, the 2004 Lazzara 80 Skylounge, is the complete package. This versatile Open Bridge motor yacht combines the excellence of American engineering, the dependability of American construction, the elegance of a mega yacht, and the flowing lines of a modern Tri-deck design.

As you enter the large and bright salon through double glass sliding doors, bright cherry wood floors are offset by cream overheads and upholstery through out. In this spacious entertainment area, the salon continues forward into the formal dining area with seating for 6 as well as a built-in buffet counter and china storage. Passing the dining area via a sliding pocket door is the heart of family-style yachting, a large country style kitchen. This galley includes a double door refrigerator, dishwasher machine, oven, cooktops, and wine chiller as well as a pantry, overhead cabinetry, sweeping granite counter tops, and a 4 person dinette. To starboard is a powder room or day head, the lower helm which boasts a ship monitoring system, engine and tank, a helm door for access to the bow centerline sunpad and a curved staircase to the flybridge. This is one of two entrances to the skylounge.

The staircase in the salon leads to the three stateroom layout with the master and two VIP staterooms. The oversized full beam Master Stateroom features large walk-in wardrobe, King bed, love seat and an office/vanity, his and her vanities, and a Jacuzzi tub with a large shower. Both VIP staterooms have Queen beds and en-suite heads with full baths to comfortably accommodate 4 guests. The crew quarters, accessed from the galley area, sleeps 3 in two staterooms. The two laundry centers are located within the guest and the crew quarters.

There are three major exterior social areas that compliment the bow sunpads. The aft deck 8 person al fresco dining area includes a high gloss dining table with shell inlay, wet bar, refrigerator and a docking stations. One set of stairs leads down to the massive custom hydraulic swim platform with mounted tender storage and two pods for jet skis storage in addition to easy engine room access. The other stairs to the skylounge where the open layout includes a midship wet bar with three bar stools, a 4 person jacuzzi, two dinettes, a hardtop top for shade, full beam custom sunpads and an upper helm that hides away when not in use in order to shield navigation equipment from the elements.

New electronics, exterior soft goods and interior refits in 2020 and 2013. Professionally maintained and crewed, with active owners and an attention to detail that is readily visible through **Finally's** pristine condition. The ideal yacht for the Bahamas and the Keys with a 4.5 ft draft and reliable Twin C30 Cat engines. Includes Walker Bay tender and 2 Yamaha jet skis.
