SPECIFICATIONS

Overview

EVOLVING GREAT INTO EXTRAORDINARY. The new 39 GTS is an evolution in design and function. With a patented 180-deg panoramic hard top, the 39 GTS imparts a feeling of open boating and unobstructed views while at the helm, unlike any other performance center console of its size. Complimented by an aircraft style, hard coated windshield, the view of the water might only be surpassed by the impressive presence of the interior. The exclusive design layout proudly manifests the upholstered console, lounge seating, and Garmin chart plotters. Expert design and engineering has brought all of this in view with the GTS specific, multi-function helm seat and retractable footrest. Cigarette's seamless fiberglass, paint and custom upholstery, all work together with incorporated technologies throughout the build to create a package that is class leading in the industry.

Basic Information

Category: Boats

Sub Category: Center Console
