SPECIFICATIONS

Overview

Ultim is a modern, fast and sexy yacht that combines style and speed in equal parts. Following a major technical and aesthetic refit in 2019 - 2020, it is in exquisite condition and is ready to be immediately enjoyed.

Its guests can enjoy the thrill of traveling at speed while enjoying luxury living on board. Boasting three en-suite cabins plus one Pullman bed, Ultim can host up to seven guests in its cabins. Accommodation includes the full-beam master, with a raised bed, a double cabin, and a twin with a Pullman bed. Warm woods, marbles, and colorful upholstery create a timelessly modern environment to relax in.

Inside, the main salon is a welcoming space with sofas that stretch down either side of the space, and four gloss wood coffee tables. The lower deck delivers more communal areas to enjoy, with a second lounge seating space, an entertainment system that includes a flat-screen television, and a dedicated office/desk space. The lower deck is also home to the modern and spacious galley, which is fully kitted out with a wide range of equipment.
